

Dear Friend ~ DO YOU KNOW?

- Every 9 seconds a woman is assaulted or beaten in the US.
- Boys who witness domestic violence are 2 times as likely to abuse their own partners and children when they become adults.
- There are 18,500,000 mental health care visits due to intimate partner violence every year.
- 1 in 7 men will be a victim of intimate partner violence in their lifetime.
- 1/2 of all homeless women and children are fleeing from domestic violence abuse.

YOU can make a difference locally by supporting our [3rd Annual Race4 DVP 5K Run/Walk](#) with your participation and/or contribution. We're building a national organization that will provide domestic violence agencies across the country with funding to support community outreach, awareness and prevention education.

In 2015 this event raised \$5,000 in contributions that were distributed through grants to four Kansas City area domestic violence agencies: **SafeHome, Hope House, Safe Haven and Newhouse.**

Our goal for 2016 is to donate more than \$10,000!

When businesses and individuals come together to support a mission like this, everyone wins. Your business will be recognized and Kansas City area domestic violence agencies' victims/survivors will benefit.

Thank you in advance for considering **Race4 DVP** as one of the missions you support in 2016. **Your participation and contribution will change lives and make a difference to the women and men struggling to survive domestic violence.**
